By JR TRAINS using the Japan Rail Pass

Most Japan Railway lines will be included if you are holding a Japan Rail Pass to travel through Japan. Although Swissôtel Nankai Osaka is located just above Nankai Railway Station Namba, Nankai Railway is NOT included in the Rail Pass - therefore we suggest you take the Japan Railway to get from and to the Airport.

The limited express **JR Haruka** travels to Tennoji (30 Minutes) and Shin-Osaka station (50 Minutes) before continuing to Kyoto. Slower is the **JR rapid (Kaisoku)**, which travels from the airport to Tennoji (45 Minutes) and Osaka station (65 Minutes) before continuing to Kobe.

Guests with a **Japan Rail Pass** can ride these trains for free, but first they will have to exchange their Vouchers which they got at home for a Japan Rail Pass at an applicable JR station that has a Japan Rail Pass office: it is available at the Green Window (Midori-no-Madoguchi) Reservation Ticket Office in Kansai Airport Station (2nd floor, outside the Passenger Terminal Building, open daily from 5:30 am to 23:00).
